DDS STANDARDS

***FOR CENTER-BASED COMMUNITY
SERVICES***

DIVISION OF DEVELOPMENTAL DISABILITIES SERVICES

PHILOSOPHY & MISSION STATEMENT

The Division of Developmental Disabilities Services (DDS), the DDS Board, and its providers are dedicated to the pursuit of the following goals:

- Advocating for adequate funding, staffing, and services to address the needs of persons with developmental disabilities.
- Encouraging an interdisciplinary service system to be utilized in the delivery of appropriate individualized and quality services.
- Protecting the constitutional rights of individuals with disabilities and their rights to personal dignity, respect and freedom from harm.
- Assuring that individuals with developmental disabilities who receive services from DDS are provided uninterrupted essential services until such time a person no longer needs to depend on these services.
- Encouraging family, parent/guardian, individual, and public/community involvement in program development, delivery, and evaluation.
- Engaging in statewide planning that ensures optimal and innovative growth of the Arkansas service system to meet the needs of persons with developmental disabilities and to assist such persons to achieve independence, productivity, and integration into the community.

To accomplish its mission, DDS, the DDS Board, and its providers are committed to the principle and practices of:
normalization; least restrictive alternatives; affirmation of individuals' constitutional rights; provision of quality services;
the interdisciplinary service delivery model;
and the positive management of challenging behaviors.

INTRODUCTION

The licensing standards for DDS Community Programs have been developed to accomplish: normalization, least restrictive alternatives, affirmation of individuals' constitutional rights, provision of quality services, the interdisciplinary service delivery model, and the positive management of challenging behaviors.

Individual program plans shall be developed with the participation of the individual (18 years and older), as appropriate, the family, and representatives of the services required. The team is responsible for assessing needs, developing a plan to meet them, and contributing to its implementation.

NOTE: It is imperative that all Medicaid providers be enrolled with the Division of Medical Services and meet all enrollment requirements for the specific Medicaid Program for which they are enrolling as an Arkansas Medicaid Provider.

All standards are applicable to all services provided, unless otherwise specified.

Administrative Rules and Regulation Sub-Committee of the
Arkansas Legislative Council: October 4, 2007

Effective Date: November 1, 2007

Implementation Date: November 1, 2007

Grandfathering Period: November 1, 2007-October 31, 2008

100 GOVERNING BOARD/ORGANIZATION / LEADERSHIP

Guiding Principles: The Governing Board/organization/Leadership is that body of people who have been chosen by the corporation and vested with legal authority to be responsible for directing the business and affairs of the corporation. The responsibilities assured by each Board/organization member by their acceptance of membership are to provide effective and ethical governance leadership on behalf of its owners'/stakeholders' interest to ensure that the organization focuses on its purpose and outcomes for persons served, resulting in the organization's long-term success and stability.

The mission statement of the organization is based on the Board/organization's philosophical motivations, the services provided, and values of the members. The mission statement should identify the population to be served and the services to be provided. This description shall be nondiscriminatory by reason of sex, age, disability, creed, marital status, ethnic, or national membership.

NOTE: See Arkansas Code Ann. §§ 20-48-201 - 20-48-211 for examples of Board/organization responsibilities.

NOTE: All information regarding your organization shall be readily available to staff, consumers, referral and funding sources, and the interested public pursuant to the Freedom of Information Act.

- 101 The organization shall be legally incorporated under the appropriate federal, state or local statutes as defined by its official Articles of Incorporation and registered to do business in the State of Arkansas.
- A. The governing body should periodically review the appropriateness of its governing documents. (Ark. Code Ann. §§ 20-48-201 – 20-48-211). This shall include the organizations mission statement as filed with the Secretary of State, and the Articles of Incorporation.
 - B. Any changes in the Articles of Incorporation must be filed with the Secretary of State. This includes name changes, amendments, or any reconstitution of the Governing Board/organization. The organization shall provide copies of any changes to DDS upon filing.
- 102 Bylaws shall be established which govern the internal affairs of the organization and will address each of the following areas as applicable:
- A. Composition of Board
 - 1. This shall include the number of Board members and the eligibility criteria (i.e. citizenship and residency).
 - 2. Selection of Board/ members
 - a. Twenty percent (20%) consumer and advocate representation on the Board is required. (*Note: defined as a consumer, immediate family member or guardian of a consumer receiving services or has received services at the organization or person in a qualified position that advocates on behalf of the population served*)

- B. Term of membership:
 - 1. Number of years as dictated by the organization's Articles of Incorporation.
Note: It is recommended that membership on the governing body be rotated periodically.
- C. Replacement/removal of directors:
 - 1. Refers to written criteria for Board membership. Shall include any contingency to include but not be limited to resignation of Board/organization members and removal for non-attendance or other reasons.
- D. Election of officers and directors:
 - 1. Describe the election process
- E. Duties and responsibilities of Board officers are described in writing
 - 1. Must document each position's purpose, structure, responsibilities, authority, if any, and the relationship of the advisory committee of Board members to other entities involved with the organization.
- F. Appointment of committees, if applicable;
 - 1. Duties and functions of standing committees are described in writing, if applicable.
- G. Meetings of the Board/organization and its committees. All meetings shall be planned, organized, and conducted in accordance with the organization's by-laws, policies, procedures, applicable statutes, or other appropriate regulations. In no event shall the full Board/organization meet less than four times per year.

Note: The Board/organization and its committees should meet with a frequency sufficient to discharge their responsibilities effectively.

- H. The Board/organization shall adopt written procedures to guide the conduct of its meetings (i.e. Parliamentary Procedure, Robert's Rules of Order, etc.);
- I. The Board/organization shall maintain minutes of all actions taken by the Board/organization for review by DDS. Minutes shall accurately document all members present and any action taken at the committee meetings to include any committee recommendations to the Board/organization.
 - 1. Written minutes of previous Board/organization meetings should be made available by posting the adopted minutes in a location convenient to the staff and individuals served, and made available to members of the public upon request, as required under the Freedom of Information Act.

103 The Board/organization shall establish a procedural statement addressing nepotism as it relates to Board/organization and staff positions.

103.1 The Board shall establish a procedural statement addressing conflict of interest

Note: The intent of the standard does not rule out a business relationship, but does call for the governing body to decide in advance what relationships are in the best interest of the organization.

- A. Paid employees may not serve as Board members. (Note: This DOES NOT include individuals receiving services.)

Note: Paid employees serving on the Board as of 11/01/07 may continue to serve for the remainder of their current term at which time they must rotate off the Board.

- B. Directors of organizations may serve as non-voting ex officio Board members.
- 104 Board/organization meetings and public meetings as defined by Ark. Code Ann. §§ 25-19-106 shall be conducted at a time and place which make the meetings accessible to the public. Specifically, except as otherwise specifically provided by law, all meetings, formal or informal, special or regular, of the governing bodies of all municipalities, counties, townships, and school districts and all boards, bureaus, commissions, or organizations of the State of Arkansas, except grand juries, supported wholly or in part by public funds or expending public funds, shall be public meetings.
- A. Board/organization meetings and Executive sessions shall be announced to be in compliance with Ark. Code Ann. §§ 25-19-101 – 25-19-107 “Freedom of Information Act”
- B. All local media are to be notified one week in advance and a notice posted in a prominent place by the organization. Called meetings shall be announced to the local media and others who have requested notification at least two hours in advance of meeting. Documentation of Notification may include newspaper clippings, copy of item posted on bulletin Board/organization, radio contact forms, etc.
- D. If the meetings are held each month at the same time and location, one notification and posting shall be sufficient.
- 105 The Board/organization of Directors shall adopt a mission statement to guide its activities and to establish goals for the organization. The plan shall show evidence of participation by stakeholders (evidence of open meeting, letters of input, survey, questionnaire, etc.).
- 105.1 The Board/organization of Directors shall review the mission statement annually and shall make changes as necessary to ensure the overall goals and objectives of the organization are reflected in its mission.
- 106 The Board/organization maintains a plan which shall identify annual and long range goals; the plan should address community needs and target populations and should be reviewed and updated annually.
- A. Each Board/organization will develop and implement a long-range plan of action for that organization. Examples include, but are not limited to starting a new component, accessing individualized services in the community, etc.
- B. Development and implementation of the plan shall include stakeholder input. The organization shall maintain evidence of this input (i.e., letters of input, minutes of open meetings, questionnaires, surveys, etc.)
- C. The plan shall be reviewed annually and updated as needed. The Board/organization shall approve the initiation, expansion, or modification of the organization’s program based on the needs of the community and the capability of the organization to have an effect upon those needs within its established goals and objectives.
- Note: The Board/organization of Directors, at its discretion, may assign this responsibility to staff.*

- 107 The Board/organization shall demonstrate corporate social responsibility while maintaining overall accountability for the administration and direction of the organization, and shall delegate authority and responsibility to executive leadership as deemed appropriate by the organization.
- A. The organization shall identify:
 - 1. Its leadership structure.
 - 2. The roles and responsibilities of each level of leadership.
 - B. The identified leadership shall guide the following:
 - 1. Establishment of the mission and direction of the organization.
 - 2. Promotion of value/achievement of outcomes in the programs and services offered.
 - 3. Balancing the expectations of both the persons served and other stakeholders, as defined by the organization's policies.
 - 4. Financial solvency.
 - 5. Compliance with insurance and risk management requirements.
 - 6. Ongoing performance improvement.
 - 7. Development and implementation of corporate responsibilities.
 - 8. Compliance with all legal and regulatory requirements.
 - C. The organization shall respond to the diversity of its stakeholders with respect to:
 - 1. Culture.
 - 2. Age.
 - 3. Gender.
 - 4. Sexual orientation.
 - 5. Spiritual beliefs.
 - 6. Socioeconomic status.
 - 7. Language.

- 108 The Board/organization shall create a mechanism for monitoring the decisions and operations of the organization's programs which includes provisions for the periodic review and evaluation of its program in relation to the program goals. Documentation of the review must be maintained on file for review. Documentation may include but not be limited to Board/organization minutes, reports, etc.

Guiding Principle: An organized training program for Board/organization Members prepares them for their responsibilities and assures that they are kept up-to-date on issues concerning services offered to individuals with a developmental disability.

- 109 The Board shall maintain a general plan for Board/organization training and will ensure that all items listed as required topics are covered in the required three-hour training.
- A. Training shall be provided for all Board/organization members. Where the Board, because of its size, lacks sufficient resources to conduct a training program, it will make arrangements with another Board, organization, agency, appropriate community resource, or training organization to provide such training.
- 109.1 New Board Members must participate in a minimum of three hours of training.
- A. The following topics shall be required during the first year of service
 - 1. Functions and Responsibilities of the Board
 - 2. Composition and Size of the Board

3. Legal Responsibilities
